

TAILORMADE BREAKFAST CABINETS

Breakfast cabinets

Parts for low cabinets

Painted MDF

Quartet melamine

Height 1000 - 1250 mm

Width 600 - 1200 mm

Depth 288 - 600 mm

Thickness of board:

Painted colors 19 mm

Quartet colors 18/19 mm

Cabinet has fixed shelves.

For cabinets deeper than 370 mm, the shelves are 320 mm deep as standard. Shelves for cabinets 370 mm deep or less are set back 10 mm from the front edge of the frame.

The distance between shelves is standard as shown in the picture.

If you require tailormade dimensions for the shelves, please send a drawing with the order.

Back panel 20mm recess.

The parts are drilled for 8 mm dowels.

The shelves are doweled to the sides and back.

A-surface is the surface that remains inside the cabinet.

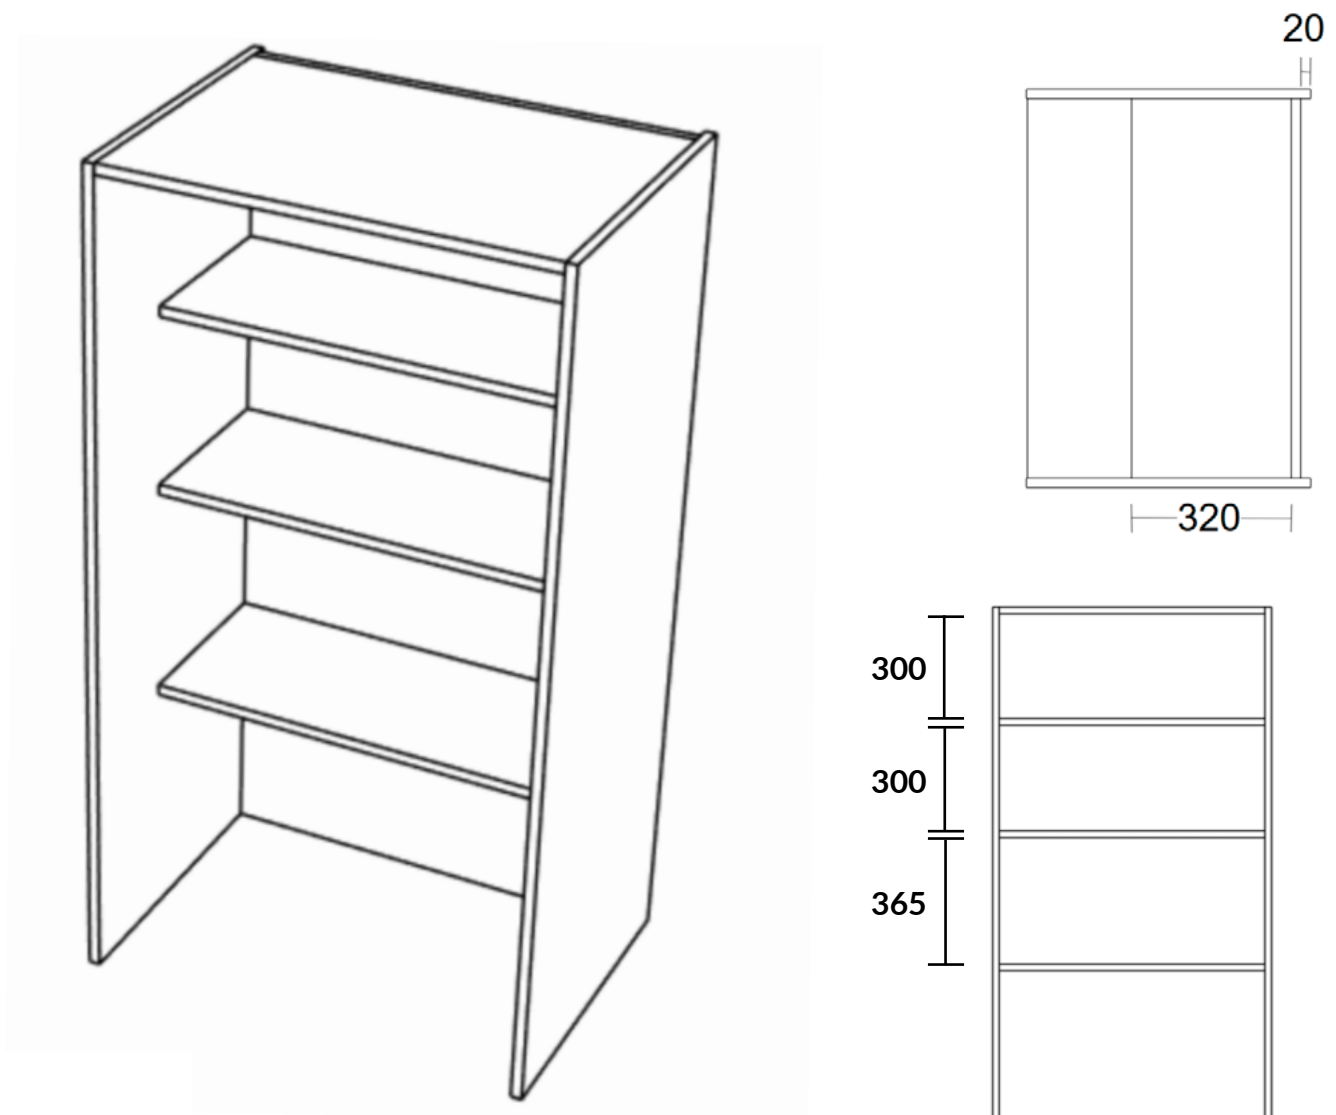

The pattern of side panels and backpanel in Quartet woodfigure cabinets is vertical.
